Email a [NWCG nomination](#) and the attached form to
Academy Coordinator steeter@fs.fed.us

PREREQUISITES: Refer to 310-1/5109.17 prerequisites for each course listed below.

CONFIRMATION: Class confirmation will be mailed by May 15th. If you have not received class information by May 22nd please contact the lead instructor.

CODE OF CONDUCT: While at fire training your actions reflect not only you as an individual but upon your agency and the fire service as a whole. The public expects our actions to be above reproach – on and off the fire ground.

QUESTIONS:

Academy Coordinator:	Steven Teeter	715-762-5172
Forest FMO:	Jim Grant	715-362-1341
West Zone FMO:	Jen Rabuck	715-634-4821 x2324
East Zone FMO:	Jay Saunders	715-674-4481
BIA Fire/Fuels:	Dave Pergolski	715-685-2374

All wildland fire training presented at the Academy will meet standards set forth by the National Wildfire Coordinating Group (NWCG).

S-270, BASIC AIR OPERATIONS

Lead Instructor: Ryan Mulhern 715-373-2667 x5251

DESCRIPTION: This course covers aircraft types and capabilities, aviation management and safety for flying in and working with agency aircraft, tactical and logistical uses of aircraft, and requirements for helicopter take-off and landing areas. Note: The regulations, procedures and policies addressed in this course are primarily those governing federal agency and ICS operations. State, county, or other political subdivisions using this course will need to consult their agency having jurisdiction with respect to regulations, procedures and policies.

Objective

- Upon completion of this course the student will have obtained the basic understanding of the different functions of Air Operations.

PREREQUISITES: Satisfactory completion of pre-course work.

TARGET GROUP: Personnel desiring to be qualified as single engine air tanker manager (SEMG), single resource boss, helicopter manager (HMGB), aircraft dispatcher (ACDP), and other positions that require basic knowledge of aviation operations.

CLASS SIZE: 24

DATE & TIME: June 12th, 13th, & 14th, 2017, will start at 0800 and end at 1700.

PRE-WORK: Will be mailed to selected students

S-211 Portable Pumps and Water Use

Lead Instructor: Scott Linn 715-479-2827

DESCRIPTION: This course is designed to provide knowledge and skills to design, setup, operate, troubleshoot, and shut down portable water delivery systems. The focus is on portable pumps - it does not address water delivery for engines. Topics covered include: portable water delivery systems; equipment; roles and responsibilities; and system design and hydraulics. There is also a field exercise where students will apply what they learned in the classroom.

PREREQUISITES None.

TARGET GROUP: Personnel desiring to be qualified as firefighter type 1 (FFT1) or incident commander type 5 (ICT5), or those wanting to learn more about portable pumps and water use.

CLASS SIZE: 24

DATE & TIME: June 12th, 13th, & 14th, 2017, will start at 0800 and end at 12:00 on the 14th

PRE-WORK: None

S-219 Firing Operations

Lead Instructor: Dave Pergolski 715-685-2374

DESCRIPTION: This course introduces the roles and responsibilities of a Firing Boss (FIRB) and outlines duties of other personnel who may engage firing operations. The target audience for the 2014 revision has been expanded to include Fire Fighter Type 2. The course discusses and illustrates common firing devices and techniques. Although comprehensive in nature, the course work is not a substitute for the dynamic fire environment. The course provides students with important information regarding general tasks required to be successful. Any opportunity to show students a real ignition or demonstrate the use of an actual firing device will assist in transferring these new concepts and skills to the job. There is an optional field day outlined in the course, it is the discretion of the delivery unit to include the field day, however, if logistically feasible it's suggested by NWCG that a field day be conducted.

PREREQUISITES: Qualified firefighter type 2 (FFT2) & Successful completion of pre-work

TARGET GROUP: Those desiring to become qualified as a Firing Boss (FIRB).

CLASS SIZE: 24

DATE & TIME: June 14th, 15th, and 16th 2017, will start at 1230 on the 14th and end at 17:00 or end upon completion of course work.

PRE-WORK: <http://training.nwcg.gov/courses/s219.html>

D-110, EXPANDED DISPATCH RECORDER

Lead Instructor: TBD

DESCRIPTION: This course provides students with the skills to perform as an expanded dispatch recorder (EDRC). Topics include the structure of the expanded dispatch organization, description of resource ordering and statusing process, and the importance of the EDRC having effective communication skills and working relationships. The final is a 4-hour, scenario-based exercise where students will complete resource order forms based on timed inputs and supplemental handouts. A Reference Guide at the end of Unit 3 contains reference documents for students to use during the course and when on assignment. The course gives a very general overview of Resource Ordering and Statusing System (ROSS) – it does not teach students how to use ROSS.

Objectives

- Describe the purpose and structure of expanded dispatch.
- Describe the role and responsibilities of the expanded dispatch recorder.
- Demonstrate how to mobilize and demobilize incident resources using established dispatch ordering channels and resource order forms.
- Describe how to communicate effectively and foster positive interpersonal working relationships.

PREREQUISITES: None

TARGET GROUP: Individuals who have no previous training or experience in the dispatch function and who will be called on as needed to assist in the expanded dispatch organization.

CLASS SIZE: 24

DATE & TIME: June 15th, 2016, will start at 0800 and end June 16th at 17:00.

PRE-WORK: None
